**Qualified  
Trainer**

## AFS Intercultural Link Learning Program Qualified Trainer Certificate

### CORE COMPETENCIES ADDRESSED

#### **AFS Educational Frameworks Knowledge**

Awareness of research-based AFS Educational Frameworks and understanding of how and why we apply them the way we do.

#### **Experiential Learning**

Exposure to how knowledge gained from experiences is transformed into meaningful learning through reflection and abstract thinking.

#### **Global Cultural Insights**

Practice recognizing and describing general cultural tendencies for enhancing the quality of activities and relationships.

#### **Cultural Flexibility**

Ability to adapt behavior in structured intercultural environments.

#### **Intercultural Communication**

Improved ability to express and interpret messages effectively and appropriately in different cultural contexts.

#### **Specific Cultural Ease**

Increased ability to apply culture-specific knowledge in relevant contexts.

#### **Global Mindset**

An interest in, awareness of and concern for global issues.

#### **Intercultural Teamwork**

Practice in creating and participating in a positive environment for all members of an intercultural group while working to meet a common goal.
